

APPRECIATION LETTER

To whomsoever it may concern

MyCaptain is an online learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on quality education.

I would like to appreciate all the hardwork and diligent effort Arnav Karwa has put in MyCaptain Web Development course in the month of March, 2024. As the mentor, I have seen that in every live video class session, Arnav Karwa was very participative and always willing to learn and enhance skills in every aspect. Arnav Karwa is always willing to put forth a unique approach for the projects and activities that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Arnav Karwa, all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

Sourav Maharana

Web Development, MyCaptain
